

## Please Note

- Tenders Close 4.00pm Thursday 20 May 2010
- Highest or any tender not necessarily accepted
- There are no maintenance records
- All units are offered strictly "as is where is"
- Payment terms are within 5 working days of notification of tender acceptance
- Tenders will be accepted by post or fax
- All Distance Licenses will be brought up to date at the vendor's cost prior to uplifting the units
- Year of Registration – years quoted have in most cases been taken from the Registration Sticker. These may vary from the year of manufacture
- Registered units will not be released until change of ownership documents have been completed by the successful buyer
- Successful buyers are required to uplift all items purchased within 10 days of notification of tender acceptance. Unless prior special arrangements are granted the Vendor reserves the right to dispose of any equipment remaining on their premises after such period in any way they see fit
