

Please Note

- **Inspection Arrangements** – By appointment only – please do not arrive on site without an appointment. If you wish to inspect any of the items within this catalogue it is necessary to phone the appropriate contact person at each location to ensure the unit is available. The contact person for each town can be found listed on the inside front cover.
- Important – Some of the items offered for tender may still be working therefore: -
 - i) Items may have changed location
 - ii) Extra patience is needed when arranging inspections
(Onsite Staff will do their best to assist)
 - iii) When successful tenderers uplift their equipment there may be variations in the hour clock readings and/or further minor wear and tear
- Tenders Close 4.00pm Thursday 25 February 2010
- Highest or any tender not necessarily accepted
- There are no maintenance records
- All units are offered strictly “as is where is”
- Payment terms are within 5 working days of notification of tender acceptance
- Tenders will be accepted by post or fax
- All Distance Licenses will be brought up to date at the vendor’s cost prior to uplifting the units
- Year of Registration – years quoted have in most cases been taken from the Registration Sticker. These may vary from the year of manufacture
- Registered units will not be released until change of ownership documents have been completed by the successful buyer
- Successful buyers are required to uplift all items purchased within 10 days of notification of tender acceptance. Unless prior special arrangements are granted the Vendor reserves the right to dispose of any equipment remaining on their premises after such period in any way they see fit
- Ancillary Items – The Vendor reserves the right to remove ancillary items from any of the equipment offered for tender herein including but not limited to: hazard and safety lights, fire extinguishers, tools and tool boxes, first-aid kits, two-way radios and/or aeriels, chains and twitches, load binders, tarpaulins

BUYERS ADMIN FEE

Buyer’s Administration Fee

A Buyer’s Administration Fee of 5% plus GST is added to the Tender Price of all goods sold in this Tender. The Buyer’s Administration Fee contributes to the overall cost of setting up, marketing and administering the tender.

GST

This Tender is GST exclusive. Therefore 12.5% GST will be added to:

- i) The Tender Price
- ii) And the Buyer’s Administration Fee (as detailed above)
